President's Report

Greetings y'all from Tennessee. Cheryl and I left for vacation early on 5/30 and will return 6/9, just before our next club meeting on the 10th of June.

I thought we had a good turnout for the 49th annual La Palma meet. We had more people, if food was an indicator, but a few less cars than we had expected. But it was a wonderful event, thanks to all who donated items for the raffle, and all those who volunteered to make it happen. We are especially grateful to other clubs who came to support us and judges who came from afar. The 50th La Palma is scheduled, and flyers are out, so mark your calendars!

Reminder, our next event is the annual picnic on July 8th. Looking forward to seeing y'all.

Sam

Editor's Corner

As I walked around taking pictures of the cars at the La Palma Car show I saw beautiful cars from most of the decades beginning with the 1913's up to the 1960's. Please allow my indulgence of beautiful memories. I had a better sweet experience because my reality is unless we make a special trip back to enjoy the cars as we will be living in Vallejo and not coming to the 50th anniversary of the La Palma Show next May. So as I walked, I had many memories of my experiences at the La Palma Car Show. La Palma has become a major event in our life and Gene, and I will truly miss not being a part of the show.

As I read another Studebaker Newsletter I find an article from a historic site contributed by a member. One newsletter has an official photographer which would be an excellent idea since any pictures I publish are never squared adequately.

Many of the Studebaker newsletters do have a member contributing historical articles. Send me an email: igracej39@yahoo.com should you be interested in the editorship of BCOIE. Jan
