OFFICER'S REPORTS

PRESIDENT'S REPORT

BCOIE MARCH 2023

Greetings everyone

February's meeting had a good turnout, but still looking forward for our other pre covid members to return to our monthly meetings, we miss you. You are missed when you're not here!

Our meeting was very informative, we learned we now have La Palma Park in May for our Zone Meet. Other details for the event are not available yet, but for now save the date. Come to enjoy or better yet volunteer. Many hands make light work at the event. It will be fun. Last year's event was great. And where expecting larger showing this year.

Editor's Corner

I write my comments on a rainy day in California. Who would have thought the entire state would receive weather that ranged from ice, snow to rain. Everyone would say, we need this to end our draught and that would be true. We live around the weather for weekend car shows or outdoor club meetings were canceled.

This month's newsletter is bringing everyone up today on the La Palma Car Show May 28, 2023. You will find the Judges Corner reminding the rules of judging. Then there is the call for raffle items for the raffle table. See Article: La Palma 49th Car Show P. 4.

Most of our membership BCOIE have paid their dues. However there are a few who need a little nudge to pay the dues. Do not forget to also pay the national dues so you receive your Turning Wheels monthly Magazine. Below is a link to the membership form from the National web site.

La Palma 49th. Car show

May 28, 2023, is the 49th. La Palma Car show at the La Palma Park, Park 1151 N. La Palma PKWY, Anaheim, Ca. 92801

The La Palma Car Show is the annual meet which is BCOIE's is the major means of generating money for the club. This is an all hands-on deck activity for members of the BCOIE club. One major way to take part is to bring items for the raffle table.

As you do your Spring Cleaning keep an eye out for the regifting items you tucked in a closet years ago that you probably forgot all about. You know those items we received at our birthday or Christmas. They must be in the original packaging.

This brings up the second part of why we have a raffle table. Bring money to buy the tickets.

Do not forget the 50/50 raffle which is always fun to win.

Remember that the food counter and raffle table are the major way the clubs make money.

La Palma Car Show is a day to chat, meet friends new or old and check out the cars from the 1913 -1960's.

Judges corner

Judging the Vehicles

The Scribes and Division Captain identify themselves to the Entrant before the team starts to judge the car.

Duty of the Scribe:

- Check to make sure the form the Entrant gives is complete: owners name, vehicles year, model, Meet Registration Number, and Division Area. (the Judging form is in the packet received by Entrant)
- The Scribe will ask the Entrant for any UNIQUE features on the vehicle which the judges need to know. This situation is normally with division 8 & 9.
- Should the Entrant not have a judging form one will be given to the Entrant. There is a 10 points penalty for not bringing the form provided in the packet.
- The Scribe will ask the Entrant to remain in front until asked to operate the vehicle.
- The Entrant is to remain in front and out of the way of the judges as they judge the car. If the form is not complete the Entrant will have a 5 points penalty. The judges may wait or judge the next car before returning to the prior car. The judges will:
 - Spend ten minutes on each vehicle to look at the overall vehicle. ➤ It is important to be consistent while judging; (do not judge each vehicle with the same flaws or look of the car) ➤ The point system will identify the best vehicle
 - The Chief Judge will score the judging form. Judging for Authenticity ➤ Judge first in Division 1-7 (Original/Restoration)
 - Judging for Authenticity prior to judging for condition eliminates the Entrant from knowing the scores before they have written down.
 - The judges while looking for authenticity will deduct items identified.
 - The Scribe records the point deducted and the reason for the deduction. the Scribe move away from the Entrant and Division Captain so the judge can advise the Scribe of Conditions deducted without the Entrant hearing the information.

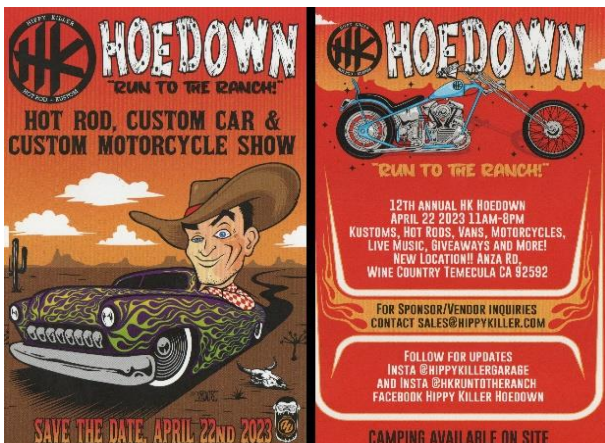

Continue: Judges Corner Information

- The scribe will put an official cover over the Condition side of the Judging Form that has been provided for confidentiality in front of the Entrant.
- If no Authenticity notes have been made the Entrant does not see the form. ➤ While the Division Judges discuss any Authenticity deductions with the Entrant the remaining judges continue to judge “Content”.
- The Authenticity side of the Judging Form is confidential once completed of course the Judging Team are allowed to review the Authenticity side of the judge.
- The Judging Form is now confidential, and NO ONE is allowed to examine the Judging Forms. Verification of Authenticity: The Entrant will be asked to provide:
 - Written document to substantiate the Authenticity item(s) in question
 - Verbal statements such as, “that is the way the vehicle was when I bought it” is not verifiable. ➤ Proof of authenticity:
 1. Copy of the original sales invoice showing that the questioned item is listed.
 2. A copy of the production order
 3. A copy of the Studebaker Chassis Parts Catalog or Studebaker Body Part showing the authenticity
 4. An original or a copy of the Studebaker Accessories Sale Catalog for that year
 5. The previous owner may have made changes to the vehicle prior to the sale of the vehicle to the current owner. (The Entrant handles this information).
 6. When the authenticity is validated, the deduction is removed. However, if the authenticity is not validated the deduction stay. The Entrant knows all the Authenticity deductions for the vehicle before the Awards.
