OFFICER'S REPORTS

President's Report

Hi everyone!

It is almost Thanksgiving, and Christmas isn't far behind! It would be great to see you at the next meeting. Can anyone remember what the club was doing in 2009? We had something special going on that year. Who can remember that far back? We had two men that came to the meeting, Tony Burk and Steve Enneking. Steve was driving his 63 Hawk and joined our club! We still need people who would be willing to run for offers in the Studebaker Club. Your CLUB needs you!!!! See you at the meeting on November 12th at Coco's at 4: 30.

Don Scott, the Web Master of our web site has developed a high-quality web site for BCOIE.

There is information on Event scheduled in our region of California.

One of the pages is the gallery where members can show pictures of their cars. To add the car send a picture of the car, and your name to dansct@sbcglobal.net.

Often, I use the pictures of the cars on the web page when needed for news articles. Looking forward to seeing your car in the BCOIE Web Page.

Editor's Report

Thank to Jeanne Ertel for taking the minutes.

December is our Annual Christmas Dinner at Coco's where we have our monthly meeting. There is an invitation on the Event Page, however the cost of the gifts purchased by each member will be discussed at the November Meeting. I know that two years will go by faster than any one of us would like. It will. It is inevitable that Gene and I will be moving to Northern California to be nearer our family. I know there is a creative person among the membership who would do an excellent job with the Newsletter. Think about the opportunity. Jan

Involvement in Infinite Hero's Annual Heroes & Hot Rods Car Show

My name is Bethany Cohen. I am an intern at Infinite Hero Foundation, a nonprofit where we partner with various organizations to provide free, innovative physical and mental health services to our veterans and their families. We aim to give our military heroes access to important resources that meet their unique needs. Our five pillars include brain health, family support, suicide prevention, physical rehabilitation, and leadership development. To learn more about the critical work being done, please visit our website: <https://www.infinitehero.org/>.

Infinite Hero is hosting **our 2nd Annual Heroes & Hot Rods Car Show at the STC Anaheim Garden walk on Sunday, November 20 from 10 am-2 pm**. This is a really important, fun community event for our organization - especially for our military, veterans, and their families who come out to enjoy the day with us. We are inviting local car clubs to come to the show and show off their amazing vehicles. I would be happy to share more details about the various opportunities Beach Cities Orange Inland Empire Studebaker Drivers Club can take part in; please let me know when would be a good time to hop on a call. I have included a link to the Heroes & Hot Rods Car Show Page: <https://www.infinitehero.org/heroes-hot-rods/>. Thank you for your time and consideration. I look forward to hearing from you soon!

ALL AMERICAN CAR SHOW & SHINE

Rosiland Metzker

John and I attended a car show on October 8, 2022. It was put on by the Corvettes So. Cal car club and was at the American Legion Post 555 in Midway City. The show was for American cars and there were about 50 cars. The weather wasn't too hot just in the high 80's. Judging was people's choice and was broken down by years (40's, 50's, 60's etc.). We took our 1964 Avanti and Bob & Bev Valeski were there with their 1951 pickup. There was a great variety of cars and pickups from the 40's on. Corvettes, Mustangs, Shelby Mustangs, several pickups and so many more. The Studebakers got a lot of attention, and our vehicle took runner-up in the 60's category. The American Legion was so accommodating and reminded me of my days growing up as a service brat with my father in the service. I always display our car with an American theme, and everyone loved it. What a wonderful relaxing day!

On October 29, 2022, John and I also attended a car show at the Garden Grove Moose Lodge. It was their Octoberfest and car show. There were 20 cars and motorcycles. Once again there were a variety of cars from Chevrolets, Mustangs, a Plymouth Roadrunner, a Shay (reproduction), Harleys and 2 Indian motorcycles. The 2 Indian motorcycles took 1st and 2nd in the motorcycle class. One was a 1917 and the other one was a 1930 and they were museum quality and beautiful. The Plymouth Roadrunner took 1st, and we took 2nd. So much fun showing our car at different venues.
